My friends, the election of the President and Vice-President of the United States is a matter of the highest importance to our country.

The people of the United States are entitled to a government that will protect their rights and interests.

The Democratic Party is the only party that stands for the people.

We must elect a President who will uphold the Constitution and the rights of the people.

Let us stand together and elect a President who will represent the people.

Let us elect a President who will protect the rights of the poor and the oppressed.

Let us elect a President who will stand for the rights of the colored people.

Let us elect a President who will stand for the rights of the laboring man.

Let us elect a President who will stand for the rights of the farmer.

Let us elect a President who will stand for the rights of the merchant.

Let us elect a President who will stand for the rights of the mechanic.

Let us elect a President who will stand for the rights of the artisan.

Let us elect a President who will stand for the rights of the workman.

WORM SPECIFIC OR VERMIFUGE.

SYMPTOMS OF WORMS.

The countenance is pale and leaden-colored, with occasional flashes, or a circumscribed spot on one or both cheeks; the eyes become dull; the pupils dilated; an azure sericicircle runs along the lower eyelid; the nose is irritated, swells, and sometimes bleeds; a swelling of the upper lip; occasional swelling of the lower lip; a humming or throbbing in the ears; an unusual secretion of saliva; a slimy or furred tongue; breath very foul particularly in the morning; appetite variable; sometimes voracious, with a gnawing sensation in the stomach; at others, emesis; general debility; pains in the stomach; occasional nausea and vomiting; violent pains throughout the abdomen; bowels irregular, at times costive; stools slimy or unfrequently tinged with blood; belly hard and tender; some turbid respiration occasionally difficult, and accompanied by hicough; coughs sometimes dry and convulsive; uneasy and disturbed sleep, with grinding of the teeth; general variable but generally irritable. &c.

Whenever the above symptoms are found to exist, DR. C. McLANE'S VERMIFUGE will certainly effect a cure.
